Supplier Information

info@artncraft.co.nz

HOME ♦ MADE:

Service Level Agreement

Suppliers will be able to take back products, with 5 days notice. This will allow you flexibility if attending large Craft shows etc.. Any courier fees at cost of supplier.

There is no fee to become a supplier for Homemade: margin will be added affecting price point.

For example; price of goods = supplier price + 'margin' of 20% (rolled up to closest dollar.)

In the future we may need to negotiate price points where more than one supplier is selling similar products, if price points differ too greatly for similar quality.

Suppliers can trigger 'Sales', if you wish to change your price portion of the cost of goods.

Suppliers can be provided with business cards, to place on stall when attending craft shows & events.

A selection of products will be made available on website and facebook, with the remaining in the shop 228 Broadway

Payment for products will be transferred from the Homemade business bank account on a Tuesday, for any sales completed the month before. Request that all payments to suppliers can be via internet banking, not cash or cheque.

We have to ensure products are meeting all requirements of Fair Trading Act. Where supplier cannot include things such as care labels, Homemade will organise for a fee. Supplier will need to give the correct information though.

Please confirm if you are able to refund, replace or repair goods for a customer as per Consumer Guarantees Act

Postal address:
c/o - Cherie Dodds
36 Seyton Street
Stratford, 4332

Products to be held at 228 Broadway

All marketing and delivery to end customer at HomesMade's expense, not the supplier. Courier fee's to get products to the shop or postal address at suppliers expense. Pick up maybe possible on negotiation.

Supplier to provide details of products on the provided form.
